# SO WHAT DO WE DO?

 Our aim is simple:   
Engage | Entertain | Educate

## CITY TOURS

Shiverpool produces powerfully presented interactive tours, performances and workshops that bring our tantalizing twist on storytelling, chilling tales of history, mystery and folklore for your school.

**Whether on the street or on the stage...  
It's all about the story!**

We deliver tours to a range of school audiences from Primary children through to Key stage 3 and University level.

We are the favourite choice amongst international language schools. We even have CELTA trained tour guides in our team who tailor the tour to meet the language requirements of any ESOL group.

Because we specialise in street theatre tours we can guarantee a truly unique experience and professional approach from our team that will surely be a highlight of your school calendar.

## WORKSHOPS

### **Workshop Example 1: Special Effects Makeup**

Pupils examine the ways makeup can change appearance, learn how to apply theatrical makeup and are given the opportunity to apply a makeup effect.

### **Workshop Example 2: Page to Stage**

Pupils are given an outline script and discuss the background for their character enabling them to make decisions about use of language and behaviour. They choose the costume that might best suit the character and are given the opportunity to do a 'read through'.

### **Workshop Example 3: Questioning the Story**

Pupils work with the Shiverschools' team to put the story into a social and political context. An interactive workshop, pupils work with a range of materials to allow them to add the historical detail to one of our stories.

## PERFORMANCES

Shiverpool can bring the pavements of Liverpool's past to your school or college. We can perform in the space you have available, and we can tailor the experience to the meet the educational needs of all pupils, from Reception to Sixth Form.

More than a performance, we have worked to make sure that our enchanting stories and interactive workshops and activities are linked to the national curriculum.

At Shiverpool, we understand the need to add creativity to make learning fun and 'by providing rich and varied contexts for pupils to acquire, develop and apply a broad range of knowledge, understanding and skills [we want to] enable pupils to think creatively and critically, to solve problems and to make a difference for the better.'

# WHO IS IT FOR?

PRIMARY, SECONDARY & UNIVERSITY

FROM KEY STAGE 1- 5

Well versed in working with primary and secondary schools, with children from all backgrounds and abilities we can perform for full year groups, to individual classes and sets.

We tailor our shows and workshops to suit your requirements.

We deliver tours to full school groups so capacity is no issue- making sure that the groups are split into manageable sizes and there are sufficient guides per group, so ensuring everyone has a marvellous time.

## EXPERIENCED? YES!

With 10 years of experience and a regular customer base, including some of the best schools in Merseyside, your expectations are in safe hands.

## HOW MUCH DOES IT COST?

The service we provide is unique to each school and therefore the cost will be too, we can guarantee value for money and an experience that will not easily be forgotten!

All of our tours and experiences are risk assessed and any supporting documentation can be provided on request
